John Muller, Chair  
S.F. Bay Regional Water Board  
1515 Clay St., Suite 1400  
Oakland, CA 94612

Dear Mr. Muller:

I am writing to ask you please to tighten the proposed permit language to make the tolerated trash level for water going into the SF Bay equal zero. As proposed, we would be allowing contaminated trash to go into our bay and endanger our environment.

Please change the proposed permit language to not allow any trash to go into SF Bay.

I would like to hear back from you about my request.

Thank you.

Sincerely,
